Ultimate budget heating

The go-to boiler for smaller homes that want to keep an eye on bills, efficiency, and space. Designed to be tucked away inside a kitchen cupboard, and with a QuickTap feature to cut down on water usage, the Greenstar 1000 is a budget-friendly solution that'll give most small homes everything they need.

Why choose the Greenstar 1000?

Guaranteed

Peace of mind for 5 years*

Bosch quality

Great design at a lower price

Compact

Kitchen-cupboard ready

QuickTap

No more wasting water waiting for it to heat up

Simple controls

Easy to use, clear controls to manage your heating

Efficient

A-rated for optimum energy efficiency and lower bills

All under control

Set the temperature and our clever controls do the rest – making your home heating more efficient and responsive to the weather. Your controls guarantee matches the boiler if installed at the same time.*

Take control and view our controls.
